FORECLOSURE PREVENTION PROGRAM • DISCLOSURE STATEMENT

Neighborhood Housing Services, Inc. (NHS) is a private nonprofit serving the state of Idaho. Since its founding in 1982, NHS has worked to create innovative housing solutions for underserved populations through strategic partnerships that contribute to building stronger communities. To fulfill this mission, NHS partners with residents, private industry, government, and other community-based organizations.

The following is a listing of NHS' programs, services and partnerships. Every effort is made to provide you with accurate and current information. You are under no obligation to use any services, products, or programs offered to you by NHS staff, contractors or partners. We encourage you to choose the resources that best meet your needs.

NHS Programs and Services

Foreclosure Prevention: NHS' Foreclosure Prevention Program is designed for homeowners who are behind, or anticipate becoming behind, in their mortgage payments on their primary residence. Counseling is provided free of charge to all Idaho residents for their primary residence, regardless of income or value of the home.

Homebuyer Education and Counseling: NHS strives to give all homebuyers the tools and knowledge they need to achieve and sustain the American Dream of homeownership. Since 1995, NHS has provided over 12,000 people with homebuyer education, pre-purchase counseling, and reverse mortgage counseling. NHS is a founding member of *Finally Home!*, a statewide partnership providing standardized homebuyer education.

Mortgage Lending Program: NHS' lending department helps Idaho families and individuals begin building assets for their future through homeownership. NHS provides borrowers with second mortgage loans in tandem with partner lenders' first mortgages. By layering the loans, low and moderate income buyers can obtain 100% financing with no Private Mortgage Insurance, resulting in an affordable mortgage payment.

Affordable Rental Communities: NHS owns 263 affordable rental housing units and a 65-unit mobile home park. These units are located in Boise, Nampa, and Coeur d'Alene. Apartments in the multifamily communities are reserved for families earning at or below 60% of Area Median Income.

Community Service Programs: Many senior and disabled citizens are being impacted by the economy and are unable to physically or financially maintain their properties. NHS has two community service programs that lend a helping hand to our neighbors: Paint The Town™ in June, and Rake Up Boise™ in November.
